

Press Release

Nordic Consulting Team GmbH and ORRO GROUP a.s. conclude cooperation agreement

Partnership on helping Czech Companies to move into the German and Nordic markets

Hamburg, December 5th, 2018 - Nordic Consulting Team GmbH, a German sales and marketing consulting company, and ORRO Group a.s. a Czech import and export consultancy company, have agreed on a mutual cooperation. It will include sales consulting and management services for Czech companies seeking access to the German and Nordic markets. The partnership also provides for close cooperation in management and sales coaching.

Both companies have long experiences and histories in their home markets and the involved persons have known each other for many years when they held leadership positions in the recycling industry.

Peter Bundgard, Managing Director of Nordic Consulting Team, says: "For many years I have dreamed of supporting foreign companies moving into the German and Nordics markets and making them successful. I have gained the necessary experience in international companies in Germany in the last 25 years. I am pleased to expand our service portfolio by working with ORRO GROUP a.s."

Blanka Chudobová, Chairman of the Management Board of ORRO GROUP a.s. says: "The cooperation with Nordic Consulting Team GmbH creates an effective symbiosis between our companies and we look forward to moving Czech companies successful into the German and Nordic countries"

About Nordic Consulting Team GmbH (www.nordic-consulting-team.com)

Nordic Consulting Team is an international consulting company and advises companies, who want to move their business into the German and Nordic countries in the areas of sales and marketing and market strategy. The team consists of experienced entrepreneurs, who have a strong "hands-on" mentality, and offers not only consultancy but also interim management.
